GHANA CEO SUMMIT

Inspiring Business and Economic Transformation

ABOUT THE GHANA CEO SUMMIT & EXPO.

Since its inception in 2016, the Ghana CEO Summit & Expo has become the country's premier business leadership conference, bringing together CEOs, entrepreneurs, policymakers, and industry leaders from across Africa and beyond. With over 5,000 participants to date, the summit serves as a dynamic platform for strategic dialogue, high-impact networking, and actionable solutions to drive economic growth, business transformation, and sustainable development.

The summit empowers CEOs with the insights and tools needed to scale their businesses, create African multinational corporations, and strengthen corporate governance. Key focus areas include digital transformation, AI adoption, governance reforms, Environmental, Social, and Governance (ESG) integration, and financial innovation. Additionally, the event hosts the prestigious CEO Excellence Awards, recognizing outstanding business leadership and contributions to Ghana's economic advancement.

The summit has featured prominent national and global leaders, including H.E. President John Mahama, H.E. Former President Nana Addo Dankwa Akufo-Addo and H.E. Former Vice President Dr. Mahamudu Bawumia, underscoring its influence in shaping Ghana's economic trajectory.

The impact of the Ghana CEO Summit is evident:

- 80% of attending CEOs report greater professional and personal fulfilment.
- 85% identify valuable business and investment opportunities.
- 85% of corporate sponsors express satisfaction with their ROI and brand visibility.

The Ghana CEO Summit & Expo continues to be a catalyst for business excellence, economic transformation, and leadership innovation in Ghana and beyond.

INSIGHTS, PLENARY SESSIONS, MASTERCLASSES & EXPERT PRESENTATIONS.

This year's Ghana CEO Summit presents a dynamic platform for high-impact learning, featuring expert-led plenary sessions, masterclasses, case studies, and strategic discussions designed to shape the future of business and governance.

THEME SYNOPSIS – 9TH GHANA CEO SUMMIT & EXPO.

Theme: “Leading Ghana’s Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy”

As Ghana navigates an increasingly complex global economy, the 9th Ghana CEO Summit & Expo presents a vital platform for CEOs, policymakers, and industry leaders to engage in bold conversations that drive transformation. This year’s Summit emphasizes the need for economic renewal, governance reform, and innovative business models to build a resilient and future-ready Ghana.

The Summit will feature keynote speeches, CEO panels, and strategic sessions focused on unlocking growth, shaping public-private partnerships, and advancing sustainable leadership.

KEY FOCUS AREAS:

- ⦿ How can Ghana build economic resilience amid global uncertainty?
- ⦿ What reforms will enhance competitiveness and attract investment?
- ⦿ How can ESG, sustainability, and digital innovation drive future-ready enterprises?
- ⦿ What leadership and strategy approaches are needed for effective transformation?
- ⦿ How can public-private collaboration accelerate national development?

Join Ghana’s top leaders to chart a visionary path forward.

OPENING PLENARY SESSION — SETTING THE AGENDA FOR GHANA'S ECONOMIC RESET: PATHWAYS TO BUSINESS TRANSFORMATION AND GOVERNANCE RENEWAL

SYNOPSIS:

The Opening Plenary Session of the 9th Ghana CEO Summit & Expo launches a vital dialogue on Ghana's economic reset. In an era marked by global uncertainty, digital acceleration, and demand for inclusive growth, the session explores how business transformation and governance renewal can drive sustainable progress.

CEOs, policymakers, and institutional leaders from both public and private sectors will share insights on the leadership, innovation, and reforms needed to build a resilient, future-focused economy.

KEY DISCUSSION QUESTIONS:

- ⦿ What bold decisions must public and private sector leaders take to drive Ghana's economic reset?
- ⦿ How can collaboration between government and business accelerate governance reform?
- ⦿ What is the role of technology in enabling transformation and competitiveness?
- ⦿ How can transformational leadership drive innovation and long-term value?
- ⦿ How do we align growth with inclusion, sustainability, and global relevance?

PRESIDENTIAL BUSINESS DIALOGUE SESSION WITH CEOs AND PLENARY.

The 9th Ghana CEO Summit & Expo will feature an exclusive Presidential Plenary Session, a high-level address by His Excellency, the President of the Republic of Ghana, focused on Ghana’s economic transformation and future prosperity.

Anchored on the summit’s theme, “Leading Ghana’s Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy,” this session will provide a unique platform for the President to articulate his vision for Ghana’s economic reset, governance reforms, and private sector-led growth.

KEY FOCUS AREAS:

- ⊙ Resetting Ghana’s Economic Agenda – Strategic priorities for sustainable and inclusive growth.
- ⊙ Empowering the Private Sector – Strengthening business competitiveness and fostering investment.
- ⊙ Reigniting Economic Growth – Policy innovations, governance strategies, and transformative economic reforms.
- ⊙ Economic Diversification – Reducing dependence on traditional sectors through innovation and industrialization.

This exclusive session will provide direct leadership insights on how Ghana can navigate global economic shifts, strengthen its economic foundations, and drive long-term prosperity.

Join Ghana’s top CEOs, business leaders, and policymakers in this defining moment for economic transformation.

DIGITAL ECONOMY PLENARY SESSION – HARNESSING TECHNOLOGY FOR ECONOMIC TRANSFORMATION.

At the 9th Ghana CEO Summit & Expo, the Digital Economy Plenary Session will spotlight how digital innovation can drive Ghana's economic reset and future readiness. Bringing together CEOs, policymakers, and tech leaders, this session will explore how digital transformation fuels sustainable growth, efficient governance, and inclusive development.

Aligned with the theme “Leading Ghana’s Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy,” the session will address strategies for leveraging AI, blockchain, and data to modernize governance and improve service delivery.

KEY QUESTIONS INCLUDE:

- ⦿ How can digital innovation support Ghana’s competitiveness and resilience?
- ⦿ What tech-driven solutions will modernize public institutions?
- ⦿ How can the private sector drive job creation through digital tools?
- ⦿ What policies and investments are needed for strong digital infrastructure?
- ⦿ How can Ghana nurture digital entrepreneurship and global competitiveness?

WHY ATTEND?

Gain actionable insights to lead in Ghana’s digital transformation journey.

CEO BUSINESS CASE PLENARY SESSION – TRANSFORMING INTO AN AFRICAN MULTINATIONAL.

As Ghanaian businesses look beyond national borders, the CEO Business Case Plenary Session at the 9th Ghana CEO Summit & Expo will explore practical strategies for transforming local enterprises into resilient African multinationals. Aligned with the theme, “Leading Ghana’s Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy,” this session features leading CEOs sharing real-world insights on expansion, innovation, and cross-border competitiveness.

KEY DISCUSSION AREAS:

- ⦿ How can Ghanaian businesses identify high-growth markets and navigate diverse regulatory landscapes across Africa?
- ⦿ What strategic leadership models are essential to drive cross-border growth, agility, and cultural alignment?
- ⦿ How can governments create a conducive regulatory and policy environment to support African multinational ambitions?
- ⦿ What supply chain, trade, and AfCFTA strategies can overcome operational barriers?
- ⦿ What capital-raising strategies and financial models support sustainable multinational growth?
- ⦿ How can digital platforms, AI, and e-commerce be leveraged to scale efficiently?

WHY ATTEND?

Gain actionable insights from CEOs with pan-African experience. Discover strategies to expand, innovate, and lead Ghana’s next wave of business transformation on the continent.

C) KEYNOTE SPEAKER PRESENTATION.

Topic: “Driving Digital Transformation and Connectivity for Ghana’s Economic Reset”

This keynote will explore how digital transformation and connectivity are central to Ghana’s economic reset. The speaker will discuss how expanding digital infrastructure, including 5G technology, enhances national digitalization, empowers businesses, and boosts financial inclusion.

KEY FOCUS AREAS:

- ⦿ How network infrastructure and 5G technology are accelerating national digital growth.
- ⦿ The role of mobile financial services in driving digital commerce and inclusion.
- ⦿ The importance of public-private collaboration in shaping ICT policies and fostering innovation.
- ⦿ Strategic actions to support Ghana’s transition to a digitally resilient economy.

The presentation will inspire CEOs, policymakers, and business leaders to leverage digital transformation for sustainable economic development.

MR. STEPHEN BLEWETT
CEO, MTN GHANA.

D) EY PRESENTATION AT THE 9TH GHANA CEO SUMMIT AND EXPO.

KEYNOTE TOPIC:

The CEO Playbook for AI Transformation.

Presented by EY at the 9th Ghana CEO Summit and Expo.

EMMANUEL ADEKAHLOR

COUNTRY MANAGING PARTNER

Synopsis:

At the 9th Ghana CEO Summit and Expo, under the theme “Leading Ghana’s Economic Reset: Transforming Business and Governance for a Sustainable Futuristic Economy,” EY presents “The CEO Playbook for AI Transformation.” This keynote equips CEOs with strategic insights to lead in an AI-powered world.

As artificial intelligence reshapes industries, the session explores how leaders can embrace AI to boost innovation, efficiency, and long-term value. EY’s proven transformation framework highlights governance, data readiness, workforce enablement, and responsible innovation.

Aligned with the summit’s focus on economic renewal, the keynote emphasizes the CEO’s role in aligning AI with business vision, ensuring ethical use, and cultivating a learning culture. Real-world case studies will show how AI is driving competitive advantage.

Attendees will leave with a practical roadmap to lead AI transformation—positioning their organizations to thrive in a sustainable, future-ready economy.

E) CEO MASTERCLASS. BY SAP AFRICA

Topic: Resetting Leadership, Business, and The Economy: Leveraging Digital Transformation For Sustainable Growth

MR. HARDEEP SOUND
REGIONAL DIRECTOR, SAP AFRICA.

As Ghana advances its economic reset, digital transformation is pivotal to leadership, business resilience, and sustainable growth. This SAP Africa Masterclass will explore how ERP and AI solutions are transforming operations, financial management, and ESG integration.

KEY DISCUSSION AREAS & CASE STUDIES:

- ⦿ How can AI-powered ERP systems improve efficiency and financial agility?

Case: Unilever & Nestlé using SAP AI to streamline supply chains and forecasting.

- ⦿ How can businesses embed ESG into strategy using data analytics?

Case: Woolworths South Africa reducing carbon footprint with SAP tools.

- ⦿ How can governments use digital tools to improve transparency and governance?

Case: Rwanda's adoption of SAP ERP to enhance tax systems and compliance.

- ⦿ How are African enterprises using tech to stay competitive?

Case: Commercial Bank of Ethiopia leveraging SAP for modernization and financial inclusion.

This session equips leaders with strategies to drive digital-led transformation for long-term impact.

F) CEO TALK: ONE-ON-ONE DIALOGUE WITH GUEST SPEAKER.

TOPIC: Strengthening Private-Public Partnerships For Ghana's Economic Reset..

MR. ALEX APAU DADEY.
EXECUTIVE CHAIRMAN, KGL
GROUP.

This exclusive one-on-one session at the 9th Ghana CEO Summit & Expo will feature a leading CEO sharing strategic insights on scaling African businesses through private-public alliances. The dialogue will highlight how companies can build value-driven partnerships, secure major contracts, and align with national development goals to drive sustainable growth.

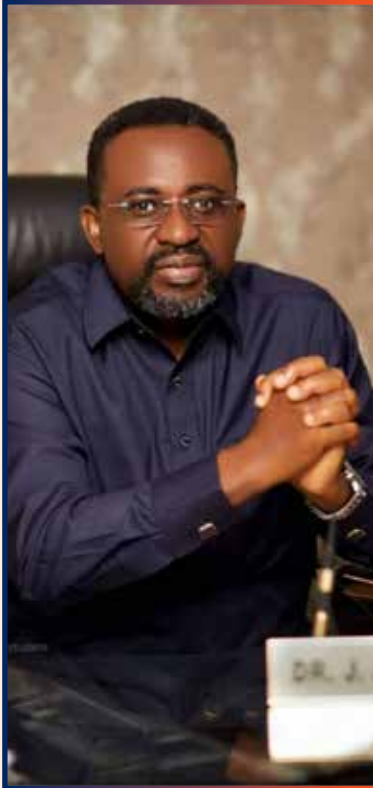

KEY DISCUSSION POINTS:

- ⦿ How can businesses build strategic alliances with government and industry to unlock new opportunities?
- ⦿ What strategies help companies win major clients and expand sustainably?
- ⦿ How do national support systems and industrial policies foster business transformation?
- ⦿ How can businesses align performance metrics with expansion goals for long-term success?

A must-attend for CEOs pursuing growth through impactful collaboration.

G) KEYNOTE SPEAKER PRESENTATION.

Topic: Ghana's Economic Outlook: Implications For Ghana's Economic And Business Reset.

DR. JOHNSON PANDIT ASIAMA
GOVERNOR, BANK OF GHANA.

As Ghana embarks on a critical phase of economic transformation, this session will provide a deep dive into the country's economic outlook, examining key macroeconomic trends, policy directions, and business opportunities shaping the future. Experts will analyze the impact of global economic shifts, regional trade dynamics, fiscal policies, and investment flows on Ghana's economic reset.

KEY DISCUSSIONS:

- ⊙ The current state of Ghana's economy and prospects for recovery and growth.
- ⊙ Policy reforms, fiscal strategies, and investment priorities for a resilient economic reset.
- ⊙ The role of private sector leadership in driving business transformation and innovation.
- ⊙ How businesses can adapt to emerging economic trends and position for long-term success.

Bringing together top economists, policymakers, and business leaders, this session will provide actionable insights on how Ghana can navigate economic challenges and seize opportunities for sustainable and inclusive growth.

Don't miss this opportunity to engage with top decision-makers, industry experts, and policymakers at Ghana's premier business leadership event!

H) KEYNOTE SPEAKER PRESENTATION.

Topic: Digital Identity for Business and Economic Reset: Empowering Ghana's Transformation Agenda.

MR. MOSES BAIDEN JNR,
CEO, MARGINS GROUP.

As Ghana advances its economic reset, digital identity emerges as a foundational tool for inclusive growth, efficient governance, and private sector transformation. This keynote presentation will explore how robust digital identity systems can drive transparency, formalize the informal sector, expand financial inclusion, and enable secure digital transactions.

Aligned with the theme, "Leading Ghana's Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy," the session will offer strategic insights into building trusted digital ecosystems that empower citizens and businesses alike.

It will examine the role of policy, infrastructure, and public-private partnerships in scaling digital identity solutions to boost service delivery, trust, and economic participation in a rapidly digitizing world.

I) KEYNOTE SPEAKER PRESENTATION.

Topic: AI for CEOs: Leading Business and Economic Reset in a Futuristic Economy.

MR. AMAR DEEP S. HARI.
EXEC. CHAIRMAN, IPMC.

As Artificial Intelligence reshapes the global economy, CEOs must harness its power to lead transformative change. This keynote will explore how AI can serve as a strategic catalyst for business model reinvention, operational efficiency, and sustainable value creation.

Aligned with the theme "Leading Ghana's Economic Reset: Transforming Business and Governance for a Sustainable, Futuristic Economy," the session offers forward-looking insights into how AI is enabling data-driven leadership, enhancing customer experiences, and driving innovation across sectors.

CEOs will gain practical guidance on building AI-ready organizations, adopting responsible and ethical AI practices, and fostering a culture of digital agility. This is a must-attend session for leaders ready to embrace AI as a core driver in Ghana's economic renewal and future competitiveness.
